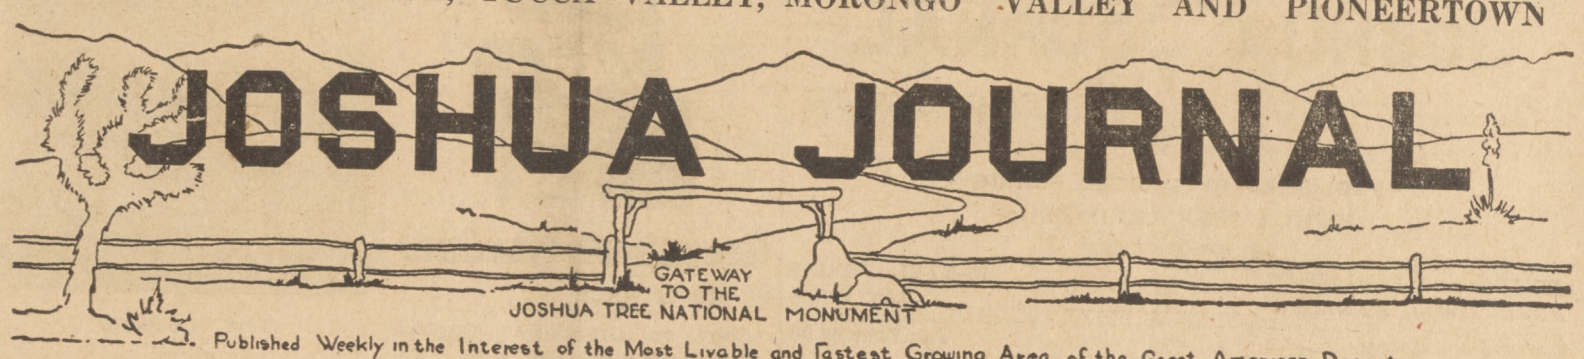
WEEKLY REVIEW OF THE NEWS IN THE HIGH DESERT COVERING JOSHUA TREE
SUNFAIR, INDIAN COVE, YUCCA VALLEY, MORONGO VALLEY AND PIONEERTOWN

JOSHUA JOURNAL



Published Weekly in the Interest of the Most Livable and Fastest Growing Area of the Great American Desert

VOL. 5, No. 29 | JOSHUA TREE, SAN BERNARDINO COUNTY, CALIFORNIA | WEDNESDAY, APRIL 5, 1950 | 5c PER COPY

Latest Rumor on Section 13 Dept.

We got it straight that the headqarters of the World's Communication Center (whatever that is) is to be moved out north of Section No. 13. A clearing house for these rumors, maybe.

It's a Vicious Circle

SAN BERNARDINO —

Outlining the need for continued perseverance in tuberculosis case-finding an dcontrol, Dr. Merle E. Cosand, county health officer, reported at a board meeting of the San Bernardino County Tuberculosis and Health Association that there are 569 known active cases of tuberculosis in San Bernardino county.

"Our constant concern is the non-isolated tuberculosis patient and a continuing program of education is necessary to minimize the spread of the disease by those who are found to be active cases.

Our new tuberculosis hospital now nearing completion on the grounds of the county hospital will bring considerable relief in this connection. There many patients can be given care in the proper surroundings designed for early recovery and in this way prevent further infection of others," concluded Dr. Cosand.

(The erection of the new tuberculosis hospital in San Bernardino reminds us of the old observation about the coal miner who digs coal to get money to buy food to get energy to dig more coal. Establishing a clinic to cure tuberculosis in the very climate and environment that creates the disease seems rather futile to us. It's been known for years in medical circles that a dry climate offers the best natural relief for tuberculosis. We've seen dozens of almost hopeless TB invalids come to our desert climate, recover and go to work again, with no more help than rest and clean, dry desert air.

Unquestionably, new, medical discoveries for the treatment of tuberculosis is effective in most cases, but why all the expensive medical care that requires huge donations and tax support each year when nature has the cheaper solution?

In our opinion, a sanitarium located in the desert would involve but half the expense, and twice the results. But then it takes influence to get public funds for the erection of expensive buildings.

Quoting Dr. Cosand, ". . . a continuing program of education is necessary . . ." It would appear that County health authorities are in need of a bit of education as to better location for TB sanitariums. The thousands of people who have come to the desert for health and found it should be as much of a basis for medical conclusions as any series of laboratory tests. —Ed.)

Stiddum Buys Woodall Interest in Building Supply

YUCCA VALLEY — Mr. Stiddum, of the Pioneer Title and Trust recently purchased M. A. Woodall interest in the Yucca Village Building Supply. Silas S. Stanley, former partner, has retained his interest in the business.

New manager for the Building Supply is Jack Phoenix, formerly at the Smoke Tree Garage. According to Phoenix they will carry a full stock of lumber and plan to meet competitive prices on materials. With his wife, Ginger, and son Ted, Mr. Phoenix has moved into the quonset hut residence. below the supply yard.

Reserve Division of National Guard To Be Formed

Formation of a Reserve Division of the California National Guard in Southern California has been announced by Major Daniel H. Hudelson on authority transmitted by California's Adjutant General Daniel H. Hudelson on authority transmitted by California's Adjutant General, Major General Curtis D. O'Sullivan.

Major Albert W. Eggen of Hemet has been named Commanding Officer of the Third Regiment with headquarters in Riverside according to the announcement. This area will be served by the 3rd Battalion commanded by Major John M. Earl. Riverside is to have a local company commanded by Captain C. V. Hutchens. Officers and men will be selected from a list of

(Continued on page 3)

Italian Restaurant To Open

YUCCA VALLEY — Barone's Italian restaurant will be open for business Saturday, April 8th, to serve both American and Italian foods. The Barones, who are from Los Angeles, heard about Yucca Valley in Whitewater and decided to go into business here. They are opening at the old Kountry Kitchen every day in the week except Wednesday.

Paint Time Is Fire Time

JOSHUA TREE — Painting time is fire time. So learned Mrs. Hazel Ferguson of Joshua Tree, Saturday, April 1st, when paint rags that she had been using the day before burst into flame and caught fire to her storage shed. The Volunteer Fire Dept. arrived on the scene soon after the flames were spotted. Mrs. Ferguson was pouring water on the fire from her garden hose when the fire company arrived. The moral is: do not leave paint rags where they can combust, especially if they have linseed oil on them.

Western Mining Council Meet Digs Out the Facts on Ore

YUCCA VALLEY—At the annual meeting of the Western Mining Council in Yucca Valley, Sunday April 2nd, many interesting facts concerning the present plight of the small miner were brought to light by president Hall, Publisher of the Western Mining Journal.

Several hundred miners from California and several other western states were welcomed by Art Goodwin, on behalf of the Yucca Valley Chamber of Commerce. Les Spell, president of the local chapter introduced the Council president, Mr. J. P. Hall. Mr. Hall immediately plunged into the whys and where-fores of the low prices on domestic ores, and the reasons why so many small mines were being shut down.

According to Mr. Hall, all tariffs have been taken off imported minerals, thus forcing domestic miners out of business, due to low prices. "The government is stocking piling essential war minerals by importing foreign metals, and is closing the domestic mines. . .One hundred and eighty-nine million dollars has been spent by the government developing foreign mines, half of which was wasted in explotinig mines that did not have sufficient ore to ship. . . And seventy-seven percent of our base metal mines have been shut down by government order", stated Mr. Hall.

John L. Stokes, patent attorney, who is a local member and lives in the Monument, pointed out that the government has been subsidizing the farmer to the tune of four and one half billions, but that the miner can't even get the potatoes that the government is dumping. Mr. Stokes gave a review of the Phillips Bill that proposes changes in the Monument Boundaries. According to Mr. Stokes the original bill wasn't favorable to either the miners or the homesteaders, but that the revised version which is now before the house has not been review by him. He reserved judgment on the bill, but expressed doubt that it would be what they wanted.

A motion was passed by the council to petition congress to establish protective tarriffs on minerals, and another to ask the president to appropriate half the ECA funds, ear-marked for purchase of foreign metals, for domestic minerals.

Sufdy Gets Monument Job

JOSHUA TREE — Sufdy signed a contract to drill an eight inch well at the intersection of the Monument road and Pinto Basin road, south of 29 Palms. This is the first of several wells to be drilled by the Park Service for planned picnic facilities.

"Willie" Returns For Races

JOSHUA TREE — "Willie", a desert tortis who was Louise Gray's entry in the Grand National Turtle Sweep-Stake Races last year was found Sunday in the Joshua Tree National Monument heading for Joshua Tree and the Annual races to be held Sunday, May 7th.

Willie was brought to the Mull-Gray Service statoin where he was put in captivity. But "Willie" escaped and was found a few minutes later at the water pan in the Turtle Corral (believe it or not.) Latest reports indicate that "Willie" feels quite at home and is resting beore starting his training program.

Navy Recruiting Station Opens In Indio

The Navy Recruiting Station in Riverside announced today that commencing Friday, April 7, 1950 a temporary recruiting station will be established in the City Hall in Indio to serve the Coachella Valley area.

The station will be open the first and third Fridays of each month until further notice. Office hours will be from 12:00 noon until 5:00 P.M.

Applicants are requested to bring a certified copy of their birth certificates with them. Age limits for males are 17 and not past their 31st birthday. 17 year olds must have their parent's consent. Feand not past their 31st birthday. male applicants must be over 20 Those under 20 must have their parent's consent.

Lindsay Aspires To Trustee

YUCCA VALLEY — Wilson C. Lindsay, one of Yucca Village's first home builders has announced his intention to run for Trustee of the Morongo School District at the May election. Mr. Lindsay, who is in semi-retirement, is very active in community affairs. Formerly employed by Chrysler Corp. sa a supt. of time-study, and burden control, Mr. Lindsay is a director of the Joshua Monument National Bank of Twentynine Palms.

Soft Ball Practice

JOSHUA TREE—All ball playsre and would-be players are hereby notified that soft-ball practice begins April 6th, at 8 p.m. at the Sportsman Club park. Be there if you think you're good enough to make the team.

New Horizons

Things are starting off with a rush out at New Horizons, which is U.S. Government five acre tract land Section 12; T-1N; R-5E; S.B.M. and has been taken over completely by 128 lease holders. This new beautiful spot lies four miles off the 29 Palms Highway, half way between Yucca Village and Josuha Tree.

Colonel E. B. Moore has just announced the letting of the contract to completely survey the entire section 12 down to 128 five acre tracts. This is probably the first time that an entire section has been organized for complete survey and is the first of the five acre tract communties to realy get under way.

A group of U.S. Government Surveyors, under Chief Roger F. Wilson finished the section boundaries of Section 12, Friday, locating bronze U.S. markers at all section corners and quarter corners. At this point Mr. William B. Hatch Jr., Licensed Land Surveyor of Twenty-nine Palms takes over with an experienced field crew and will execute one of the most complete legal and certified five acre tract survey jobs yet made in this desert area.

Mr. William Zeitz was at New Horizons Sunday completing details wtih tne Roads and Water Committees.

Annual Report to Ambulance Ass'n.

By Pres. John L. Duncan

It gives me pleasure to welcome you all this evening. This being the Annual Meeting of your Ambulance Association, we are assembled here for the purpose of electing three Directors to fill the vacancies left by Pat Garry, Jo Jackson, and K. L. Williams, whose terms expire March 31.

Before proceeding with the election and other matters which may be brought up for discussion, I would like to present a brief outline of the accomplishments and progress of your Ambulance Association during this past fiscal year.

When we entered the year we had in service a 1939 Chevrolet ambulance which was in need of many extensive and costly repairs. On June 8, 1949, we were advised by the Twentynine Palms

"That Easter Bonnet"

BY MARTEL FERRIS

"In your Easter bonnet, with all the frills upon it," and, brother, we do mean frills. Have you seen those things that the gals have designed for the Easter Parade at 29 Palms? Talk about the "new look," it's really a double take. Anything goes, but especially everything. We've had the works bobbed past our astounding gaze, from birds to full grown vegetable gardens.

Milady apparently is conscious of the high cost of groceries this season for she's taken to cultivating the turnips on her noggin, and early too. Even the threat of frost hasn't deterred these hardy pioneers from planting celery before the snow is off old "Grey Back." It's a very subtle bit of plotting those caranium plots are designed for; it's a man-trap, fellas.

We can't help but suspect an ulterior motive behind those neat rows of cabbage and spuds on our darling's Easter bonnet. It is an old established fact that the way to a man's heart is through his stomach. The gals are really using their heads now, so to speak.

The passe trick of adjusting a stocking seam, or leaning a bit of perfume towards us male's suscpetible nostrils is definitely scorned by modern maids. A bobbing tomato or the flick of a carrot top is much more inviting to the eye of the passing male, as the girls have discovered. So watch out, you naive bachelors; you may be the victim of a chapeau salad, or too late find yourself digging up a fresh Idaho Irish, only to find that the root is firmly attached to a colleen of the same variety.

The flippant phrase, "cute tomatoe," that we have been tossing around is much more indicative that we've been aware. If your heart skips a beat (who said, beet?) when some lovely vision floats past, don't worry too much as it may settle to normal with her passing, but when your mouth begins to water at one of those hanging gardens, look out, brother, you may be trapped by your own stomach.

No trick is to bizarre to be tried; they'll wear anything to attract your attention. You just can't be too careful. The moral is: eat a hearty breakfast before you go to the Easter sunrise services this year.

Pioneertown News

"Cisco Kid" is slated for soon after Easter, I theeenk! Duncan Renaldo as "Cisco", Leo Carrillo as Pancho, and our local boy Wes Hudman as one of the "baddies". . . . . Zeke put on a big show late Sunday afternoon on his big palomino only to discover that the customers were all gone, shux!. . . . Marie and Curt (president of the "Raw Hides Riding Club") Bush fell off a horse in front of the Golden Stallion, Sunday, before all those tourists. A broken cinch strap, they said. That's their story. . . . Mr. and Mrs. Finney of Los Angeles were guests of Lee Yaphe Sunday (he's a Deputy Sheriff of L. A. County.). . .Rumors about a big change around P.T. persist.

Greenhorn Gardner

BY RUTH HALE

Copy on Greenhorn Gardner went astray this week, sorry. - Ed.

As this is Holy week, it seemed to me that this little legend of the dogwood tree would be appropriate. Some friends who are now in Texas have visited the dogwood trails there and were kind enough to send me this little story.

At the time of the crucifixion the dogwood attained the size of an oak and other forest trees. So strong and straight was the wood that it was chosen as the timber for the cross. To be used for such a cruel purpose made the tree very sad annd so Jesus in His gentle pity for sorrow said to it: "Because of your regret and pity for My suffering, I make you this promise: Never again shall the dogwood tree grow large enough to be used for a cross. Henceforth it shall be slender and bent and twisted and its blossom shall be in the form of a Cross, two long petals and two short petals, and in the center of the outer edge of each petal, there will be nail prints, brown with rust and stained with blood, and in the center of the flower there will be an image of a crown of thorns and all who see it will remember that it was upon a dogwood tree I was crucified, and the tree shall not be mutilated or destroyed, but cherished as a reminder of My death upon the Cross."

In Texas, the Dogwood Trails are maintained by volunteers and each year thousands of people go there to see the beauty of the blossom.

Such a wonderful rain we had last week, the wild flowers here should be at their best in a short time now and what a blessing it was to have it right now when so cany of us have started our gardens.

Happy Easter.

THE JOSHUAS

Lowly Philosophy

By JUNE LeMERT PAXTON

"TARRY YE HERE"

The night was dark; He prayed alone;
Our Lord was in Gethsemane.
In Anguish did He plead with friends,
"Oh, tarry here and watch with Me!"

Today that Christ is pleading still;
Yet now with a victorious smile.
Still we sleep on and take no time
To tarry here and watch, awhile.

Our spriit cries its faith in Him
Who came to earth to set men free;
But always is the flesh too weak
To "tarry here and watch with Me."

Our Risen-Lord is here today;
His Truth alone, can set men free;
This is the challenge of the hour,
"Oh come and tarry here with Me!"

CHRISTIAN SCIENCE TEXT DECLARES DISEASE UNREAL

"Are Sin, Disease, and Death Real?" This question will be the subject of the Sunday Lesson-Sermon in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The Golden Text, selected from Proverbs, reads: "In the way of righteousness is life; and in the pathway thereof there is no death."

In Matthew's Gospel it is related that a centurion came to Jesus "beseeching Him, and saying, Lord, my servant lieth at home sick of the palsy, grievously tormented. And Jesus saith unto him, I will come and heal him. The centurion answered and said, Lord, I am not worthy that thou shouldst come under my roof: but speak the word only, and my servant shall be healed . . . And Jesus said unto the centurion, Go thy way; and as thou hast believed, so be it done unto thee. And his servant was healed in the selfsame hour."

Mary Baker Eddy says in the Christian Science textbook, "Science and Health with Key to the Scriptures:" "It is the transgression of a belief of mortal mind, not of a law of matter nor of divine Mind, which causes the belief of sickness. The remedy is Truth, not matter, — the truth that disease is unreal."

Letter to the Editor

Dear Sir:

Heartiest congratulations to the ones who stole the STOP sign. About time that farce was removed. It was a cheap way to force people to stop in order to see the town. The need for reduced speed zones is apparent, but to stop traffic on a main road for a couple of alleys is a cheap dodge.

(signed) James Ferguson,
Twentynine Palms

(Didn't you know that the stop sign was placed there so local citizens could rush out and tell people where 29 Palms is- — Ed.)

Dear Ed:

Those guys in Arizona think they have wind. Not long ago while driving through the Mohave Desert we hit a wind store that blew all the paint off the car, and sanded it down to the metal finish. All we had to do was paint it. "C, Peet"

Guests at the Desert Queen Motel, Miss Andrea Stave and Miss Esthr Calbom of 116 N. 8th St., Mt. Vernon, Wash. They are visiting Mrs. Louise Nahhas.. .Dr. and Mrs. R. B. Voelker and children of Glendale, Calif. . .Mr. and Mrs. John C. Sisker of Monrovia.

Yucca Valley Notes

According to a Los Angeles paper Gene Autrey was "hired" to round-up cattle in Yucca Valley with his plane, while on location at Pioneertown. The cattle were rumored to be owned by Kirk Martin of Little Morongo Canyon. Contrary to rumor, Martin does not own the cattle with the bells; they belong to the IS-Hip-O Ranch (is that a steak-dinner bell, "Buttons"?) . . . Jack Phoenix, new manager of the Yucca Village Building Supply has just purchased a silver, Cessna 140 and has made a taxi strip to his front door in Yucca Sky Corral Estates (do we get air service on our 2x4's now?) . . . Miss Rebel Wahl of Huntington Beach, is a house guest of Irene Tunstall and working at the Golden Stallion. . . New residents in the valley, Mr. and Mrs. Chas McCausland of Santa Ana, who purchased a home in the Sky Corral Estates. . . Mr. Hall, Editor of the Western Mining Journal is starting a home soon. . .It Could Only Happen In Yucca Dept: so now we're opening TWO Italian restaurants!. . . The big statue of Christ near the cross was made by Bob Jones of Baldwin Park.

Yucca Valley Easter Sunrise Service

PROGRAM

5:30 A.M. - At the Cross on the Hill Sunrise Servise
Trumpet Blows by Eugene Spindler
Chorus Choir
Resurrection Message by Desert Parson
9:00 A.M. - Special Service at the Cross for all mounted on horses.
10:00 A.M. - Sunday School
11:00 A.M. - Morning Worship
6:00 P.M. - Christian Endeavor
7:00 P.M. - Evangelistic Service

A Cordial Welcome is given to all to attend the Yucca Valley Community Church.

The Desert Parson - Rev. Eddie Garver.

(Continued from page 1)

citizens who have had previous military experience and who are inspired by the patriotic desire to place that experience at the service of the State in the event of an emergency.

Reserve Units will use the facilities of the regular National Guard, and will be prepared to take over and operate these facilities in the event that the National Guard is called to active duty.

Anyone in this area who is interested in joining this new organization should report to the National Guard, and will be prepared to take over and operate these facilities in the event that the National Guard is called to duty.

Anyone in this area who is interested in joining this new organization should report to the National Guard Armory at 514 California Ave., Beaumont, and report to Sgt. Roy K. Bittencurt at 7:30 P.M. any Tuesday night. He will be glad to give interested persons any information they may desire. Those living in the Morongo, Yucca, Joshua Tree, and Twentynine Palms area contact Warrant Officer John Miller at Twentynine Palms High school or at his home in Yucca Village.

Battalions and other units of the reserve will be assigned to the National Guard Armories for special training.

Evangelist Is Drawn to Yucca

YUCCA VALLEY— Mr. Atkins, a traveling evangelist, who is a modern Disciple, caries his parsonage with him. With car and trailer he has traveled many mile spreading the Gospel. A member of the Methodist church, Mr. Atkins is at present filling in at the Methodist Church in Redlands until Conference time.

This week he felt the urge to spend a few days in the desert and came to Yucca Valley, where he plans to hold a three day revival meet through the auspices of the local Full Gospel Church. The meetings will be held at the Community Hall at 7:30, April 5th, 6th, and 7th.

Yucca Valley Community Church

The Yucca Valley Community Church was beautifully decorated for Palm Sunday with palm branches and new draperies. The church was full of our own valley people and friends and visitors. Rev. Eddie Garver gave a message on "The Lord Hath Need of You." Taken from St. Luke 19:29-38.

The Public is cordially invited to attend the Easter Sunrise Service at 5:30 at the Cross at the entrance of the Canyon on the Pioneertown Road. Doves will fly over the Cross as Eugene Spindler blows the Trumpet. Chorus Choir and Resurrection Message by our Desert Parson Rev. Eddie Garver. At 9:00 A. M. there is a Special Service at the Cross for all mounted on horses.

Community Chapel Receives Organ

JOSHUA TREE — The Community Chapel was the recipient of a gift of a very fine organ this week, according to Dr. D. C. Williams, pastor. Mrs. Virginia Rover of Elsinore, known and admired by many local people, is the generous donor.

Society of Christian Service .....

The Women's Society of Christian Service of the Joshua Tree Community Chapel will hold its regular meeting in the social hall of the chapel on Thursday, April 6th at 2 p.m.

After the business and devotional meeting Mrs. Hjalmer Sandell and Miss Frances H. Sims will serve refreshments.

Joshua Tree Notes

Mr. and Mrs. Rico Marcelli of Sunland have donated to our ambulance fund. . . . Mrs. Mabel Catch and daugher, Terry (a hostess for United Air Lines), were visitors of the Chases this week-end. . .The Journal reported last Friday's fire, got there before the truck, helped put out the blaze and had the story written before the Park Dept. truck arrived from 29 Palms. (no discredit to the Park Dept. They got there fast!). . . .

Ambulance Ass'n.

JOSHUA TREE — Secretary Gerhard reported that during the fiscal year ending March 31, 1950, the Ambulance Association secured 175 new members, with a present membership list of 270. The previous year's total was 144. The apparent difference in the 1950 and 1949 total members, as compared to the number of new members secured, is due to the fact that during the year many people moved out of the valley — yet, at the same time, new people came in.

Those who have not yet joined, can leave their $3.00 membership fee with Mrs. Mitchell in Joshua Tree or mail directly to Secretary Gerhard. In Yucca Valley payments can be made at the Highway Garage.

Mr. Sherborne, Mr. Woods, and Mr. Lisby were elected to the board at the Annual meeting.

SPECIAL MUSIC BY THE CHOIR.
CONGREGATIONAL SINGING
BENEDICTION.

Christians, it has been said, are those who remember Jesus. They recall the beauty of His character, the magnificence of His teachings, the majesty of His sacrifice.

They name over his qualities one by one and call them supremely good - his fearlessness, his loyalty, his energy, his sympathy, his tenderness.

Easter Christians act in the belief that right is more powerful than might, that life conquers death, that good triumphs over evil. They conduct every aspect of their lives - whether it is dealing with a hateful neighbor or facing the separation of death in the confidence of the Easter hope.

Faith, hope, and love belong to Easter Christians because they do more than remember Jesus. They serve Christ-the Living Christ. And it all began in a garden.

The public is cordially invited to attend Church on this great Day and all other great days of the year.

David C. Williams, Minister

KRUMM ELECTS TO BE ELECTED

SAN BERNARDINO — Theo. G. Krumm, Chief Deputy District Attorney, of San Bernardino County, has announced his intention to seek the office of District Attorney in the coming elections. Mr. Krumm has been a practicing attorney for twenty-two years, most of which has been in criminal law.

Mr. Krumm promises to cooperate fully with all law enforcement officers and agencies in smashing organized criminal activities, including organized prostitution, gambling, and the like.

Desert Star Club

TWENTYNINE PALMS — The Desert Star Club held a successful Canasta party in the Community Hall of Twentynine Palms on Mar. 23, 1950. About 40 tables enjoyed not only Canasta, but bridge and pinochle. Home made cakes and coffee were served before the start of play.

Five members of the Desert Star Club visited the San Gorgonio Chapter in Banning on Tuesday, March 28, 1950. Those who attended were Martha Fleming, Gertrude Glasson, Marion Grimm, Alma, Lenhart, Carolyn Watkins, all of Twentynine Palms.

The next regular meeting of the Club will be on April 13, 1950 at the American Legion Club House in Twentynine Palms at 1:30 p.m. All members of the Eastern Star are cordially invited.

Rummage Sale At 29 Palms

TWENTYNINE PALMS — The American Legion Auxiliary is planning a rummage sale for Thursday, April the 13th, in the Market Basket Bldg. New Aprons, new costume jewelry, will be on sale. Proceeds will go for child welfare. Mrs. Alice Watson, Child Welfare chairman, and Mrs. Al Stoddard, Community Service Chairman are in charge of the sale.

THE TURKEY GROWERS PAGE

ASSEMBLED ON THIS PAGE EACH WEEK ARE NEWS ITEMS OF INTEREST TO THE TURKEY GROWERS OF THE DESERT AREAS

The 1950 Farm Census

SAN BERNARDINO — What's the sense of a farm census? This and similar questions are occasionally asked by people who despise filling out forms, most of all the income tax form.

A census to a nation, a state, county or city, is like a statement of liabilities and assets of an individual or a corporation. Without either, one is just guessing. We hear various estimates of the present population of San Bernardino or of the State of California. Immediately following the census, we will not be guessing.

To some farmers the census report no doubt looks quite complicated with its numerous questions. When you consider, however, that California alone produces over 180 different commercial farm crops and the census covers all the United States, it looks most reasonable.

On the 1940 census 2150 county farms reported having 1,740,000 hens. On the 1945 census 3100 farms reported having 2,840,000 hens. There has been some increase in poultry farming since 1945. It will be interesting to see what the new census reveals. On the 1940 records, over 1500 farms or 25 percent of the total number in the county, reported that poultry provided more than half of their total income.

In 1940, 1786 farms in the county reported they sold $2,780,000 of poultry and poultry products while in 1945, 2255 farms reported selling $8,425,000 worth of poultry and poultry products. Harold Crane, our Agricultural Commissioner, reports the income from the sale of eggs and poultry meat in the county in 1948 at $21,900,000 and in 1949 at $24,400,000.

It is thought that some growers fail to report all their chickens, believing the report might fall into the assessor's hands. No statistics are compiled from the census locally. All data goes to the Washington office where compilations are made. This is done to stimulate accuracy in reporting and to make the data more valuable.

From the 1945 census I noted that California had three out of the first 24 counties and eleven out of the top 100 counies in poultry and egg production. San Bernardino County ranked fifth in the nation. Besides ranking fifth in the production of poultry and eggs, San Bernardino ranked fourth in the production of grapes, fifth in oranges, 8th in walnuts, 9th in grapefruit, 30th in peaches, 31st in turkeys, 44th in plums, 58th in tomatoes, and 89th in sweet potatoes.

Xiques Offer Competition

SUNFAIR — C. Gordon Xiques o North Hollywood and his family have arrived in Sunfair to challenge the supremacy of the Terrazas. Abel Terrazas, his wife, and seven children (correct me if I'm wrong) have so far been the largest family in Sunfair. Now comes along Mr. Xiques, his wife and five children (correct me if I'm wrong) to raise turkeys and the population of Sunfair by seven noses.

The Xiques brooder house is nearly completed and they plan to put in twenty-four hundred poults.

Water Pressure To Increase

SUNFAIR — According to Chester R. Bunker, the water pressure system being installed at Sunfair will be completed this week. The new pressure system is being installed by Sufdy of Joshua Tree, and will maintain a steady pressure of forty-five pounds to all ranches.

Poults Pour In

SUNFAIR — Young turkeys are pouring into the Sunfair ranches at the rate of several thousand a week. More than twenty thousand have been delivered from five different hatcheries so far. The total number is expected to exceed seventy thousand this year.

Sunfair Notes

Richard Marble, grand-son of the Kenneth Williams, is a visitor at the Halsted Ranch in Sun Valley. . . Mr. and Mrs. Tony Barkley of Denver, Colo., with their two children, were guests of the Bishops last week-end. . . Lawrence Mc Clanahan, wife Ruby and daughter moved onto their recently completed ranch this week, and expect to run in twenty-five hundred poults soon. . . . (No news is bad news, Betty, what have you been up to lately?) . . . What's this rumor we hear about Ranch Way Feeds, Mac?

Rasbal Orders Turks

YUCCA VALLEY — According to Stan Johnson of the Stan's Feed store, Axel Rasbal, of Morongo Valley, has ordered eight hundred turkey poults for his ranch in the Annex. This is the second turkey ranch sponsored by Stan's Feed Store in Morongo Valley this season.

TED'S ACME TEAM UPSET OLSEN'S LUCKY LAGERS

PIONEERTOWN — Ted Holderman's Acme bowlers eased out Olsen's "Un-Lucky" Lager team from San Bernardino last Sunday at the Pioneerbowl. It was a close game with Olsen's pin splitters taking the first set only to be topped on the last two. Scores were: 1st game, Olsen's 747, Ted's 744. 2nd game, Ted's 761, Olsen's 602. 3rd game, Ted's 841, Olsen's 804. Bob Lear of San Bernardino rolled high average, 225.

ANNUAL REPORT TO THE .....

Community Ambulance Association that we had the opportunity to purchase their 1947 DeSoto Ambulance. However, the price of $1400 was a sum which the Board felt it would be impossible for the Association to assume. Through the indomitable spirit of Mr. Charles Mitchell and at his instigation, the community held a Rally Meeting on June 10 at which remarkable cooperation was extended by all present. Sufficient cash donations and pledges were signed to make it possible to go ahead with further arrangements for the purchase of the ambulance the following day. It is here that I want to take the opportunity to especially commend Jack Branthoover, Helen Gerhard and Jim Shearn for their untiring efforts during the drive for funds in the months that followed. I also want to thank Mrs. Mary Ojala, selected Chairman of a committee to secure new members, for her very fine work. Their successful efforts made it possible to pay for that ambulance IN FULL in October, about four months afttr its purchase, in addition to paying in insurance premium amounting to almost $400.00, which became due in November. Not only that, but in December, due to the excellent financial condition of the Association, the Board voted to cancel all outstanding pledges. These pledges totalled $810.00, on which the sum of $146.00 had been paid up to that time.

Joshua Tree Builders Supply

"All's Fair In Sunfair"

SUNFAIR

The new community of Sunfair is a group of small ranches devoted to the business of growing Turkeys — Located six miles Northeast of the town of Joshua Tree.

A NEW IDEA IN RANCHES —
Ranches are surveyed into parcels of 1 1/2 - 3 - 6 and 10 acres — All ranches sold are served with WATER, ELECTRICITY, and PAVED ROADS.

Our Third Year

This is our third year growing turkeys commercially at Sunfair —We have proven this high desert location is as near perfect as it is possible to obtain for the development of the turkey industry.

Thirty Ranches

Last year there were nineteen ranchers growing turkeys at Sunfair — The year before there was only seven; This year there will probably be at least thirty turkey ranches in full operation.

Let Us Show You

We will greatly appreciate the opportunity of showing you around SUNFAIR and the turkey ranches.

TURKEY GROWING IS A GOOD BUSINESS
